

Promoting Research at Freie Universität Berlin

Prof. Dr. Brigitta Schütt Vice President of Freie Universität Berlin

1. Mission

- 1948: funded with support from the American Allied Forces and donors
- Innovative, internationally oriented
- Scholarship across national, social and ideological barriers
- Networks for top-level research
- Regional: Research Campus Berlin-Dahlem
- International: Requirement for modern research

2. Profile

• Broad variety

- **11** departments, plus Charité (joint medical school)
- 3 Central Institutes dealing with different world regions
- 65 Bachelor, 92 Master programs (16 in English) and 20 structured doctoral programs
- International student body
- 28,500 students
- International students:
 21% of MA-students, 23% of doctoral candidates
- 105 university-wide partnerships (plus 339 ERASMUS programs)

2. Profile International Networks

 Strong presence in the USA: German University Alliance (US contact office with LMU Munich) Kofi Annan Fellowships in Global Governance

• Branches:

New York, Beijing, Cairo , Moscow, New Delhi, Brussels, Brazil

- International Council
- Center for Area Studies

3. High Rankings for Freie Universität

- Freie Universität **ranked first** by Alexander von Humboldt Foundation: "top-address" for foreign scientists
- Among the **top five universities** in the DFG funding ranking
- Times Higher Education: among the top 100 universities of the world
- Tagesspiegel Meta-Ranking of German universities: **first place** together with LMU Munich and University of Heidelberg (examined criteria included third-party funds, special research departments, postgraduate programs, Leibniz prize winners, quota of international academics)
- Freie Universität ranked in **first place** by Prognos AG, Basel, and the magazine *Karriere* as an entrepreneurial university
