people have received higher
education management
skills training

1,500

experts have received
training on higher education
management topics

Transfer projects

We support participants' practical skills through transfer projects

- **Supporting transfer projects** that initiate changes in higher education management at a range of levels
- During 2020 **281 transfer projects** were set in motion at higher education institutions across **45 countries**
- **Example project:** Universitas Padjadjaran (Indonesia) initiated its Virtual Mobility (Unpad-VM) for Internationalization and Globalization project within the framework of the UNILEAD training course

Promoting efficient higher education institutions

We promote measures to embed and multiply knowledge
